

FOYER

arge bright foyer situated beside
tion is where we can offer a range of
ing options to suit your needs.

GENERAL

meeting rooms have natural light.
abled facilities are in place. There is a
to the first floor. Mineral water is
ed in a number of locations around
building. There is ample space for
ing. A wireless network service is
lable to all Centre users who have a
less network card installed in their
op

Access to the Institute of Technology and
the Centre is via the Belgard Road and Old
Blessington Road only.

On entering Tallaght IT you will see the new Edu-
cation Centre in the top left corner of the grounds.
However, to reach it, you have a half mile drive all
around the Institute, through several car parks –
see the dotted blue line on the map below. Be
careful of the speed ramps. When you get to the
top car park in the Institute you will see the Centre
ahead, pale stone brick from behind, and our ac-
cess road bringing you to our car park.
