

CHOOSE SAFETY

The "Choose Safety" programme is part of the education strategy of the Health and Safety Authority.

It is designed for students in **Transition Year**, **Leaving Certificate Vocational Programme** and **Leaving Certificate Applied** but may easily be adapted for use with other year groups.

Some elements of the programme are suitable for mainstream **Leaving Certificate** subjects.

The programme allows complete flexibility regarding time-tabling and an Education Pack (that includes teacher's manual, students workbooks and DVDs) is **provided free of charge** to all schools.

For more information on the programme please contact:

Margaret Condon,
Choose Safety Programme Coordinator,
Dublin West Education Centre,
Old Blessington Road,
Tallaght, Dublin 24.
